

New Assignment 9/11/24

Pick one of the **LOs** below:

1. Describe the difference between descriptive relativism and metaethical relativism.
2. Evaluate key concepts such as objectivism, subjectivism, nihilism, skepticism, and moral realism.
3. Evaluate the arguments in favor of relativism.
4. Evaluate the arguments against relativism.
5. Differentiate between relativism and a commitment to tolerance.
6. Evaluate value pluralism.
7. Defend your own ideas about relativism and how it is related to ethical judgments.

Remember to interpret these as a question, i.e.,:

- Original: Describe the difference between descriptive relativism and metaethical relativism.
- Your formulation: What is a key difference between descriptive relativism and metaethical relativism?

There are **four parts and four sentences to your answer:**

Q: Your interpretation of the question: i.e., What is a key difference between descriptive relativism and metaethical relativism?

A: The author's answer: "the key difference to descriptive . . . is . . ."

Response: Your response to the answer, is the author right, wrong? Why?
