

CLOSING POLICY

Inclement Weather

If it becomes necessary to close the college due to inclement weather, notification will occur in the form of voice messages, text messages, and emails based on user managed settings through the LC Alert system. Closings are also posted on the college's website and social media channels, as well as major St. Louis television stations, and major St. Louis and local community radio stations.

Classes held at the N. O. Nelson Campus and Community Education Centers throughout the district will follow the same closing policy as on-campus classes.

Classes held at community public schools throughout the district will not meet whenever the main L&C campus is officially closed for inclement weather even if the off-campus site remains open. Off-campus sites may also be closed on a site-by-site basis by the local authority (principal or superintendent) even if the main L&C campus remains open.

Classes held at specialized locations (hospitals, libraries, industries, social service agencies, other colleges, etc.) will meet according to the schedules of those organizations.

Holidays, Thanksgiving Recess, Spring Recess

L&C's Godfrey campus, the N. O. Nelson Campus, and the Community Education Centers will maintain the academic calendar and holiday schedule published in the Student Handbook and Catalog.

However, classes held at community public schools and other specialized locations (hospitals, libraries, industries, social service agencies, other colleges, etc.) will meet according to the schedules of the individual organizations. For example, if a public-school teacher's in-service day falls on a day when L&C courses are scheduled to meet, the L&C courses WILL NOT MEET on that day or evening in that location. When L&C observes Spring Recess, on-campus and off-campus L&C courses WILL NOT MEET.
